OIR-18-01 Power Plant Owner Reporting in 1304

OIR-18-01 Power Plant Owner Reporting in 1304

Perhaps much of 1304 reporting could be complied with by Power Plant Owners by their referencing EIA Plant IDs and EIA's ELEC.ZIP and eia8602019.zip?

EIA's ELEC.ZIP and eia8602019.zip are found here:
<http://api.eia.gov/bulk/ELEC.zip>
<https://www.eia.gov/electricity/data/eia860/archive/xls/eia8602019.zip>

Perhaps EIA Plant IDs missing from CEC QFER q_WebWorks_QFERUnit_Table.txt will be filled in and any one megawatt or greater power plants in CEC QFER data not in EIA's data will be added?

See the records missing EIA Plant IDs here,
https://ww2.energy.ca.gov/almanac/electricity_data/web_qfer/source_files/q_WebWorks_QFERUnit_Table.txt

Please add a subsection to allow this means of reporting to ensure CEC's best effort pursuant to Public Resources Code - PRC 25320. (a) (2) (C), to give full consideration to the potential burdens these data requests impose on the resources of the stakeholders whose information is being requested.
