**STATEMENT OF STAFF APPROVAL
PETITION FOR CHANGE OF OWNERSHIP
for the
CAMPBELL COGENERATION PROJECT (93-AFC-03C)**

On July 15, 2021, a petition was filed and docketed with the California Energy Commission (CEC) requesting to change ownership of Campbell Cogeneration Project from the Sacramento Power Authority to the Sacramento Municipal Utility District Financing Authority (SFA). The petition also notes the name of the Project, the "Campbell Cogeneration Project," will change to "Campbell Power Plant." The 158-megawatt cogeneration facility was certified by the CEC on November 20, 1994 and began operation on October 1, 1997. The facility is located in Sacramento County at 3215 47th Avenue.

The petition is requesting to change ownership of the facility to SFA. A statement describing the change in ownership, signed under penalty of perjury by a representative of SFA, was submitted as required by Title 20, California Code of Regulations, section 1769(b). The statement affirms that SFA understands the conditions of certification and agrees to comply with those conditions.

Staff has reviewed the petition and has determined that the petition meets the requirements of Title 20, California Code of Regulations, section 1769(b). Accordingly, staff hereby approves the petition to change ownership. Any person may file an objection to staff's approval within 14 days of the filing of this notice. Any such objection must state the grounds for the objection. If a person files such an objection, the petition will be considered by the CEC at a noticed business meeting or hearing.

An objection to staff's approval may be submitted using the CEC's e-Commenting feature. Go to the CEC's [Campbell Cogeneration Project webpage](#), click on the "[Submit e-Comment](#)" link, and follow the instructions in the on-line form. Be sure to include the facility name in your comments.

The petition requesting the change of ownership has been docketed and is available in the CEC's [Campbell Cogeneration Project Docket Log](#) at <https://efiling.energy.ca.gov/Lists/DocketLog.aspx?docketnumber=93-AFC-03C>. This Statement of Staff Approval is being mailed to interested persons on the project mail list.

Written objections may also be mailed to:
