Mr. Uhler,

I did not see a response to a prior email requesting clarification of your records request. Based on discussing your request with staff, I have attached a data set that we believe is what you are looking for. As I noted previously, the best way for you to make a records request is to use the online request form on the CEC's webpage. Hopefully this data set addresses your needs. This concludes the CEC's review of your request.

Sincerely,

Jared Babula
