On September 9, 2021 at approximately 9:00AM, the California Coastal Commission will be hosting an informational briefing on the federal consistency review process for potential wind energy lease areas in federal waters offshore of California's north and central coasts. This informational briefing will include presentations by federal and state agency staff as well as an opportunity for public comment and questions and comments from Commissioners. To view the webcast or participate by providing public comment, please follow the instructions provided in the [Commission's virtual hearing procedures](#). If you have any questions, please contact Commission staff at [EORFC@coastal.ca.gov](mailto:EORFC@coastal.ca.gov).
