*IN THE MATTER OF:*

Zero Emission Vehicle Infrastructure Barriers
and Opportunities

Docket No. 21-TRAN-03

NOTICE OF REMOTE-ACCESS
WORKSHOP

RE: Electric Vehicle Infrastructure
Deployment

Notice of Joint Agency Workshop**Accelerating Electric Vehicle Charging Infrastructure Deployment
and Grid Integration**

October 12, 2021

9:30 a.m. – 3:30 p.m.

Remote Access Only

The California Energy Commission (CEC), California Public Utilities Commission (CPUC), and Governor's Office of Business and Economic Development (GO-Biz) will host a workshop on electric vehicle (EV) charging infrastructure deployment acceleration and grid integration. A quorum of commissioners from the CEC or CPUC or both may participate, but no votes will be taken.

The workshop will be held remotely, consistent with Assembly Bill 361 (Rivas, Chapter 165, Statutes of 2021) to improve and enhance public access to state agency meetings during the COVID-19 pandemic and future emergencies by allowing broader access through teleconferencing options. The public can participate in the workshop consistent with the direction provided below. Please note that the CEC aims to begin promptly at the start time and the end time is an estimate based on the agenda proposed. The workshop may end sooner or later than the posted end time depending on various factors.

Agenda

CEC Commissioner Patty Monahan and CPUC Commissioner Cliff Rechtschaffen, with assistance from GO-Biz, are gathering EV charging infrastructure stakeholders, including industry representatives, utilities, local government, state agencies, and others, to discuss solutions, share best practices, and learn from different perspectives on the topics of electric vehicle supply

equipment (EVSE) permitting, rate structures for public charging, interconnection, and EV grid integration.

A detailed agenda will be posted before the workshop to the [21-TRAN-03 Docket](https://efiling.energy.ca.gov/Lists/DocketLog.aspx?docketnumber=21-TRAN-03) at <https://efiling.energy.ca.gov/Lists/DocketLog.aspx?docketnumber=21-TRAN-03>.

Panel 1: Local Permitting for EVSE Installations

Panel 2: Rate Structures for Public EV Charging

Panel 3: Opportunities for Accelerating EVSE Interconnection and EV Grid Integration

Background

The state has ambitious EV charging infrastructure goals, including installation of 1.2 million light-duty chargers by 2030.

This workshop will convene key stakeholders to share best practices and discuss opportunities in the following areas:

- Accelerating local permitting and utility interconnection times for EVSE deployment
- Rate structures that vary widely across the state and can complicate electric vehicle charging
- Integrating EVs into the grid with the least cost and most benefits

Remote Attendance Instructions

The workshop may be accessed by clicking the Zoom link below or visiting [Zoom](https://join.zoom.us) at <https://join.zoom.us> and entering the ID and password for the workshop listed below. If you experience difficulties joining, contact Zoom at (888) 799-9666 ext. 2 or the Public Advisor's Office at publicadvisor@energy.ca.gov, at (916) 654-4489 or toll-free at (800) 822-6228.

Workshop ID: 922 2741 1729

Workshop Password: 820494

Use the "raise hand feature" to indicate you want to speak and the event facilitator will indicate when your line is open and ready for you to make comment.

To Participate by Telephone, dial US: +1 669 219 2599 or +1 213 338 8477 or +1 346 248 7799 or +1 602 753 0140 or +1 720 928 9299 or +1 971 247 1195 or +1 206 337 9723 or +1 929 436 2866 or +1 646 518 9805 or +1 651 372 8299 or +1 786 635 1003 or US Toll-free 877 853 5257 or US Toll-free 888 475 4499. International numbers available at <https://energy.zoom.us/u/adp70d5igL>. When prompted, enter the ID: 922 2741 1729. To comment, dial *9 to "raise your hand" and *6 to mute/unmute your phone line.

Zoom’s closed captioning service will be enabled for the workshop. Attendees can enable the service by clicking on the “live transcript” icon and then choosing either “show subtitle” or “view full transcript. The closed captioning service can be stopped by exiting out of the “live transcript” or selecting the “hide subtitle” icon. Please note that the transcript provided through Zoom’s closed captioning is helpful but not precise.

Public Comment

Oral comments will be accepted at the end of the workshop. Comments may be limited to three minutes or less per speaker and one person per organization. If participating via the Zoom online platform, use the “raise hand” feature so the administrator can announce your name and unmute you. If you are participating by telephone, press *9 to “raise your hand” and *6 to mute/unmute.

Written comments must be submitted to the Docket Unit by 5:00 p.m. on November 30, 2021. Written and oral comments, attachments, and associated contact information (including address, phone number, and email address) will become part of the public record of this proceeding with access available via any internet search engine.

The CEC encourages use of its electronic commenting system. Visit the e-commenting page [21-TRAN-03](https://efiling.energy.ca.gov/Ecomment/Ecomment.aspx?docketnumber=21-TRAN-03) at <https://efiling.energy.ca.gov/Ecomment/Ecomment.aspx?docketnumber=21-TRAN-03>, which links to the comment page for this docket. Enter your contact information and a comment title describing the subject of your comment(s). Comments may be included in the “Comment Text” box or attached as a downloadable, searchable document in Microsoft® Word or Adobe® Acrobat®. The maximum file size allowed is 10 MB.

Written comments may be submitted by email. Include docket number 21-TRAN-03 and Zero Emission Vehicle Infrastructure Barriers and Opportunities in the subject line and email to docket@energy.ca.gov.

A paper copy may be sent to:

Public Advisor and Other CEC Contacts

The CEC’s Public Advisor’s Office provides the public with assistance in participating in CEC proceedings. For information about how to participate in this meeting or to request interpreting services or other reasonable modification and accommodations, reach out via email at publicadvisor@energy.ca.gov, by phone at (916) 654-4489, or toll free at (800) 822-6228. Requests should be made for interpreting services, reasonable modifications, and accommodations as soon as possible but at least five days in advance. However, the CEC will work diligently to meet all requests based on the availability of the service or resource requested.

Direct media inquiries to mediaoffice@energy.ca.gov or (916) 654-4989.

Direct technical subject inquiries to Akasha Khalsa at akasha.khalsa@energy.ca.gov or (916) 891-9128.

Direct general inquiries regarding the workshop to Mona Badie at mona.badie@energy.ca.gov or (916) 628-1376.

Availability of Documents

Documents and presentations for this workshop will be available in the Zero Emission Vehicle Infrastructure Barriers and Opportunities docket [21-TRAN-03](#) at <https://efiling.energy.ca.gov/Lists/DocketLog.aspx?docketnumber=21-TRAN-03>.

When new information is posted, an email will be sent to those on the Transportation list server. To receive these notices, subscribe at [CEC List Servers](#) or <https://ww2.energy.ca.gov/listservers/index cms.html>. Manage existing list servers or sign up for others at [CEC List Servers](#), at <https://ww2.energy.ca.gov/listservers/index cms.html>.
