**Webinar Notice for the Alameda County Incentive Project Prelaunch
Webinar**

Additional submitted attachment is included below.

Learn How to Prepare Your Alameda County EV Charger Incentive Application

Commercial, multifamily and local government-owned properties in Alameda County can apply for new incentives for electric vehicle chargers starting on December 1. The Alameda County Incentive Project will offer up to \$6,000 per Level 2 connector and up to \$80,000 per active connector on DC fast chargers.

To learn how to get started on your rebate application, join panelists from the Center for Sustainable Energy and California Energy Commission in an upcoming webinar. They will cover funding details about the project, rebate eligibility and provide a walk-through of the application process. A Q&A session will follow the presentation.

Alameda County Incentive Project Prelaunch Webinar

Tuesday, November 16

10 a.m. - 12 p.m. PST
