## EnergIIZE Workshop – EV Fast Track Application Process

Join the Energy Infrastructure Incentives for Zero-Emission (EnergIIZE) Commercial Vehicles team in kicking off the first workshop of the New Year! [Register now](#) to attend this workshop, which will provide an in-depth walk through of each step of the application process geared towards the Electric Vehicle (EV) Fast Track funding lane, opening Q1 2022, and Q&A.

For your convenience, the Implementation Manual, containing eligibility criteria and project requirements, is linked below. The EnergIIZE website is coming soon!

[EnergIIZE Implementation Manual](#)

EnergIIZE Commercial Vehicles is a new \$50 million project that provides infrastructure incentives for public and private fleets, owner/operators, school bus fleets and transit agencies that wish to deploy battery electric or hydrogen fuel cell vehicle technology.
