

DOCKETED

Docket Number:	07-SB-01
Project Title:	Eligibility Criteria and Conditions for Solar Energy System Incentives (SB1)
TN #:	241122
Document Title:	Solar SME.INC Comments - Energy Efficiency
Description:	N/A
Filer:	System
Organization:	Solar SME.INC
Submitter Role:	Public
Submission Date:	1/10/2022 12:29:22 PM
Docketed Date:	1/10/2022

Comment Received From: Solar SME.INC
Submitted On: 1/10/2022
Docket Number: 07-SB-01

Energy Efficiency

Energy efficiency is using less energy to complete a task. It is the inverse of energy waste. To become energy efficient, you must use less energy to finish an activity. The concept is that you must eliminate every source of energy waste.
