Evidence-Submission of DEIR comment Letter with Appendices

Per CEQA, I submitted a CEQA comment letter with Appendices A-D attached via email to the Lead Agency CA Energy Commission- on 2/7/2022 to Lisa Worrall-Senior Environmental Planner

715 P Street

Sacramento, CA 95814

(916) 661-8367

The CA Energy Commission NOA (TN#241077) states (p.9) " Written comments on the DEIR may be submitted to the project's docket submittal page, at:

<https://efiling.energy.ca.gov/Ecomment/Ecomment.aspx?docketnumber=19-SPPE-04>.

Alternatively, comments may be submitted to: lisa.worrall@energy.ca.gov."

CEQA does not require CEQA documents to be submitted to a docket but does require submission to the lead agency. A copy of the CEQA submission to Lisa Worrall is attached here.

Additional submitted attachment is included below.

Dear Lisa Worrall:

As a concerned San Jose resident, I am submitting to the CA Energy Commission a CEQA comment letter with substantial evidence of significant environmental impacts, including Environmental Justice per Title VI Civil Rights and Environmental Justice Executive Order 12898.

This comment letter (SCH # 2021020002) has the following attachments: Appendix A: Air Quality; Appendix B: CARB; Appendix C: Biotics; Appendix D: BAAQMD. I kindly request the CEC Staff to submit these documents to Docket 19-SPPE-04 ([San Jose Data Center | California Energy Commission](#))

Can you please confirm via email that you received these documents? If you have any questions, please call me at (408) 835-1795.

Thank you,
