Energy Infrastructure Incentives for Zero-Emission Commercial Vehicles – (EnergIIZE) Privacy Policy

Effective March 23, 2022

In accordance with the Information Practices Act (Civ. Code § 1798 et seq.), this privacy policy states how your personal information may be used and who may have access to your information. By submitting your Energy Infrastructure Incentives for Zero-Emission Commercial Vehicles (EnergIIZE) application, you consent to EnergIIZE Staff collecting any personal information submitted in your EnergIIZE application forms. This information may include your social security number if you are a sole proprietor.

By submitting your application, you consent to being contacted by CALSTART or Tetra Tech as the administrators of EnergIIZE. These essential communications may include updates on the status of your application, or requests for follow-up information needed in order to process your application. EnergIIZE staff may also notify you about future zero emission vehicle (ZEV) or ZEV infrastructure funding opportunities. You will have the opportunity to opt-out of any notifications about future opportunities.

All information on application forms is required in order to process incentive applications. The information provided on your application will only be used for the purposes of processing your incentive application. Any personal information will not be disclosed, made available, or otherwise used for purposes other than those specified, except with the consent of the subject of the information, or as authorized by law or a by a court. It is essential the EnergIIZE team collect this information in order to process your incentive application. Your information will be housed in a secure cloud storage system accessible only by EnergIIZE staff. You have the right to access this information at any time; such requests can be made by contacting the EnergIIZE team at Infrastructure@calstart.org, or in writing to the address below.
