Docket No. 21-DECARB-01

NOTICE OF REMOTE-ACCESS  
WORKSHOP

RE: Pre-application Staff Workshop for  
the California Electric Homes Program  
(CalEHP) GFO-21-403

## **Notice of Pre-Application Staff Workshop for the California Electric Homes Program Block Grant Solicitation**

**June 28, 2022**

10:00 a.m. – 12:00 p.m.

**Remote Access Only**

The California Energy Commission (CEC) staff will host a remote access pre-application workshop for the California Electric Homes Program (CalEHP) block grant solicitation (GFO-21-403). This workshop will inform interested third-party program implementers and administrators about the solicitation and application process. CEC staff is seeking a third-party administrator to design and implement CalEHP's incentive program, which will provide incentives for the construction of new all-electric market-rate residential buildings and the installation of energy storage systems.

The public can participate in the workshop by following the instructions below. CEC staff aims to begin promptly at the start time posted and the end time is an estimate based on the proposed agenda. The workshop may end sooner or later than the posted end time depending on various factors.

### **Agenda**

CEC staff will present general information about the solicitation, including solicitation overview, program design requirements, application submittal portal instructions, and next steps in the solicitation process. After the presentation, there will be time for participants to ask questions and give comments.

A solicitation will be posted on June 13, 2022, and made available on the [CalEHP webpage](https://www.energy.ca.gov/programs-and-topics/programs/california-electric-homes-program-) at (<https://www.energy.ca.gov/programs-and-topics/programs/california-electric-homes-program->

calehp) and the [CalEHP docket](#) at (<https://efiling.energy.ca.gov/Lists/DocketLog.aspx?docketnumber=21-DECARB-01>).

### **Background**

Assembly Bill 137 (Ting, Chapter 77, Statutes of 2021) with Senate Bill 170 (Skinner, Budget Act of 2021) authorized \$75 million for the CEC to implement and administer a new statewide program to provide incentives for the construction of new multifamily and single-family market-rate residential buildings as all-electric buildings or buildings with energy storage systems.

### **Remote Attendance Instructions**

The workshop may be accessed by clicking the Zoom link below or visiting [Zoom](#) at <https://join.zoom.us> and entering the ID and password listed below. If you experience difficulties joining, contact Zoom at (888) 799-9666 ext. 2, or the CEC's public advisor at [publicadvisor@energy.ca.gov](mailto:publicadvisor@energy.ca.gov) or at (916) 957-7910.
