Electrification and Electric Vehicle
Charging Equipment Website*

Docket No. 22-DECARB-02

NOTICE OF EXTENSION OF PUBLIC
COMMENT PERIOD

RE: Building Decarbonization and Electric
Vehicle Charging Equipment Website
Request for Information

Notice of Extension of Public Comment Period

Comments due 5:00 p.m., September 14, 2022

On July 6, 2022, the California Energy Commission (CEC) posted a Request for Information (RFI) to solicit data, examples, and guidance from stakeholders to satisfy the requirements of Senate Bill 68 (Becker, Chapter 720, Statutes of 2021) (SB 68). The RFI (TN 243852) included a comment deadline of August 8, 2022.

The comment period for the RFI is herein extended to 5:00 p.m. on Wednesday, September 14, 2022, to allow additional time for stakeholders to review the RFI questions, attend the August 30, 2022, workshop, and submit comments.

Public Comment

The CEC encourages the use of its electronic commenting system. Visit the [e-commenting page](#) for this docket at <https://energy.ca.gov/proceedings/e-filing-and-e-commenting>. Enter your contact information and a subject title that describes your comment. Comments may be included in the "Comment Text" box or attached as a downloadable, searchable document in compliance with California Code of Regulations, Title 20, section 1208.1. The maximum file size allowed is 10 MB.

Direct questions about this proceeding to Heriberto Rosales at heriberto.rosales@energy.ca.gov or (916) 903-4671.

Written comments may also be submitted by email. Include docket number **22-DECARB-02** and "Building Decarbonization and Electric Vehicle Charging" in the subject line and email to docket@energy.ca.gov.

Written comments, attachments, and associated contact information (including address, phone number, and email address) will become part of the public record of this proceeding with access available via any internet search engine.

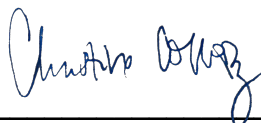

Public Advisor. The CEC’s Public Advisor assists the public with participation in CEC proceedings. To request assistance, interpreting services, or reasonable modifications and accommodations, call (916) 957-7910 or email publicadvisor@energy.ca.gov as soon as possible but at least five days in advance of the workshop. The CEC will work diligently to meet all requests based on availability.

Availability of Documents.

Documents and presentations for this proceeding are available at [Building Decarbonization and Electric Vehicle Charging Equipment Web Guide](#) , Docket Log 22-DECARB-02, at <https://efiling.energy.ca.gov/Lists/DocketLog.aspx?docketnumber=22-DECARB-02>.

To stay informed about this proceeding and receive documents and notices of upcoming workshops and hearings as they are filed, please subscribe to the “Efficiency Topics,” and check sub-item “Decarbonization Topics.” To receive these notices or notices of other email subscription topics, visit [Subscriptions](#), at <https://www.energy.ca.gov/subscriptions>. The subscription service sends out email notifications and direct links when documents and notices are filed in the proceeding docket. If you are unable or do not wish to sign up for the subscription list but still would like to receive documents and notices by other means, please contact the person listed under “Direct questions” above.

Dated August 5, 2022, at Sacramento, California.
