Keep Diablo running - Docket 21-ESR-01 Diablo Canyon Power Plant

re: Docket 21-ESR-01 / Diablo Canyon Power Plant

Please support legislation to ensure continued operation of Diablo Canyon past 2025

No major updates are required.

No increase in electricity rates is required.

CA Law, SB100 requires clean energy by 2045 & includes Diablo Canyon.

SB100 was not in place when the decision to shutter Diablo was made.
