21-ESR-01 Diablo Canyon Power Plant.

21-ESR-01

Dear Sir or Madam

For global climate and humanitarian reasons, I request that legislators support legislation that ensures the continued operation of Diablo Canyon nuclear power plant past 2025.

Please note that:

No major updates to the plant are required

No increase in electricity rates is required

CA Law, SB100 requires clean energy by 2045 & includes Diablo Canyon.

Thank you.

Marie Zabell
