SUPPLEMENTAL RESPONSE

Supplemental Response to Data Request 73

In its original Response to Data Request 73, the Proposed Zoning for the Trade Zone Park (TPZ) Property was described as IP (PD). There has been a misunderstanding on the preferred Proposed Zoning. STACK originally believed the City of San Jose preferred the Proposed Zoning to be IP(PD). The misunderstanding has been discovered and STACK will be Proposing the Zoning be changed to TEC (PD) in accordance with the City of San Jose direction. Other than this change the original Response to Data Request 73 is accurate.
