**DIGITAL REALTY STATUS REPORT
NUMBER 15**

Digital Realty, in accordance with the Committee Order (TN236110), dated, December 21, 2020, hereby files its Status Report Number 15. Digital Realty believes it has provided all of the information necessary for Staff to publish the Draft Environmental Impact Report. Digital Realty has been requested by Staff and the San Jose International Airport Planner to perform some additional work mapping flight paths of airplanes. Since last month's Status Report Digital Realty has engaged a consultant to perform that work and expects to docket the results by October 21st, which would enable the Staff to complete its Draft Environmental Impact Report.

Dated: October 10, 2022

Respectfully Submitted,

Scott A. Galati
Counsel to Digital Realty
