Subject: Open Docket for 2022 Local Ordinance Applications Exceeding the 2022 Energy Code

The Building Standards Branch requests a new docket to support documentation of local ordinance (reach code) applications, from local jurisdictions that adopt energy efficiency or conservation design standards requiring a diminution of energy consumption levels compared to the 2022 Energy Code. Pursuant to California Code of Regulations, Title 24, Part 1, sections 10-106 and 10-110 and Public Resources Code section 25402.1(h)(2), local jurisdictions must submit an application to the California Energy Commission (CEC) in order for the local standard to be enforced.

The docket should be titled: **22-BSTD-07: Local Ordinances Exceeding the 2022 Energy Code**. Please add the following CEC subscription list to this docket: Building Energy Efficiency Standards. Please send notification when opened and include the following individuals on the internal distribution list:
