AAER-2022-02 Location of rulemaking file with 1 CCR 86 statement

AAER-2022-02 Location of rulemaking file with 1 CCR 86 statement

Where is the location of the rulemaking file that will be submitted to the Office of Administrative Law (OAL) for review of the regulation?

Does the rulemaking file that will be submitted to the OAL contain the required 1 CCR 86 statement of mailing at this time?

The docket for the rulemaking proceeding (22-AAER-02) does not contain the required 1 CCR 86 statement of mailing at this time.

Please ensure that all records in the rulemaking file that will be submitted to the OAL are also filed in docket for the rulemaking proceeding so the public that wishes to know the complete rulemaking record does not have to request these records from the OAL after the Energy Commission submits the rulemaking file to the OAL for review.

Please do not continue the practice of keeping two separate rulemaking files as was done for the 2022 Load Management Rulemaking proceeding (21-OIR-03).
