**Subject: Notice of Agenda Item to Consider Applicant's Motion to Dissolve
the Committee.**

PLEASE TAKE NOTICE THAT, on **January 25, 2023**, during the business meeting, the California Energy Commission (CEC), will consider and possibly approve an order granting the December 12, 2022, motion filed by the project applicant, STACK Infrastructure, which seeks to dissolve the Committee assigned to the STACK proceeding on the grounds that the Committee is no longer necessary under updated small power plant exemption (SPPE) regulations that took effect on December 14, 2022, eliminating the adjudicatory process for all SPPE proceedings.¹ If the applicant's motion is granted, the assigned Committee would be dissolved. The CEC may consider vacating any or all ongoing orders and rulings of the Committee, such as the general orders and scheduling orders.

For further information about the time and location of the business meeting and information about how to participate in person or by telephone or computer, please consult the complete business meeting agenda, which may be found on the [business meeting page of CEC's web site](https://www.energy.ca.gov/proceedings/business-meetings) at: <https://www.energy.ca.gov/proceedings/business-meetings>.
