Memorandum

To: Docket Unit

Date: January 13, 2023

From: Leonidas Payne, Project Manager
California Energy Commission
1516 Ninth Street
Sacramento CA 95814-5512

Subject: Fountain Wind Project application (23-OPT-01)

Per the attached email from the applicant's consultant, applicant Fountain Wind, LLC, has confirmed that their application submittal for the Fountain Wind Project is complete and has requested that the California Energy Commission commence review of the Fountain Wind Project application to determine whether the application is complete in accordance with the applicable statutory and regulatory provisions. Files associated with the application were uploaded to the project docket (23-OPT-01) from January 3 through January 11, 2023. The associated fee for processing the application has been received.

Based on the record present in the project docket, the effective receipt date is confirmed as January 11, 2023. Pursuant to Public Resources Code, section 25545.4(a) and California Code of Regulations, title 20, section 1878, the Executive Director will review the application and make a determination of completeness within 30 days of the submission of the application and will respond to the request for a completeness determination on or before February 11, 2023.

Fountain Wind (Docket No. 23-OPT-01) application submittal complete
