Submitter Role:	Intervenor
Submission Date:	1/25/2023 12:24:40 PM
Docketed Date:	1/25/2023

Dear Public Advisor,

I have been listening online to the 1/25 business meeting since 10 AM waiting to comment on item 7 where my rights as an intervenor were being taken. I raised my hand for item 7 and you failed to allow me to talk. Now my rights have been stripped and I had no opportunity to comment. Are you now going to reopen the item or must I now ask for reconsideration in order to speak?
