## How to Apply, Part 2:

### Preparing a Complete Application for Level 2 EV Incentives Workshop

The Communities in Charge Project team is excited to announce  
the 'How to Apply, Part 2' public workshop!

[Communities in Charge](#) is California's market-accelerating, light-duty electric vehicle (EV) charging incentive project funded by the California Energy Commission's Clean Transportation Program, implemented by CALSTART, and supported in partnership with GRID Alternatives and Tetra Tech. Communities in Charge is designed to transform EV accessibility, rapidly catalyze new markets, and swiftly deploy Level 2 EV charging stations.

During the workshop we will cover the following topics:

- Required documentation deep dive
- Details about your project site
- Best practices for participation

The workshop will take place on:

March 1, 2023

10:00 AM – 1:00 PM

Pre-registration is required, please register [here](#)
