## Application Window Announcement

The Communities in Charge Project team is excited to announce  
that the application window will open on:

**Thursday, March 23, 2023 at 9 am PST.**

Please review the Communities in Charge website regularly for updates  
as launch approaches.

[Communities in Charge](#) is California's market-accelerating, light-duty electric vehicle (EV) charging incentive project funded by the California Energy Commission's Clean Transportation Program, implemented by CALSTART, and supported in partnership with GRID Alternatives and Tetra Tech. Communities in Charge is designed to transform EV accessibility, rapidly catalyze new markets, and swiftly deploy Level 2 EV charging stations.
