## **SUNAGE SA comments - Solar Equipments Lists RFI response**

1. What entity, if any, do you represent or are you affiliated with?

SUNAGE SA

2. What is your/your organization's primary use of the Solar Equipment Lists?

To have our products listed in CEC

3. How often do you download or reference the Solar Equipment Lists from the Solar Equipment Lists website at <https://solarequipment.energy.ca.gov/Home/Index?>

a. Less than 1 time per month

4. Please provide information on how the Solar Equipment Lists assist you/your organization with everyday business needs:

i. How do they integrate with your operations?

Necessary to sell products in California

ii. How would you describe the value of the lists to your efforts? N/A

iii. If applicable, approximately how many interconnection applications/permits to operate do you process, on a monthly basis, using the data on the Solar Equipment Lists? N/A

5. Roughly how much time do you save on a weekly or monthly basis by using the data on the Solar Equipment Lists, as opposed to not having the lists as a reference? N/A

6. Is there a format that would improve the effectiveness of the lists or ability to use them?

Current format works for us

7. Can you substitute the data from the Solar Equipment Lists with another data source? How would your program(s) be impacted without this resource? N/A

8. As an equipment manufacturer (if applicable), what are the benefits of having your equipment listed on the Solar Equipment Lists?

Integrators know that our product are certified and are safe to be installed in California,

make them sure that we follow industry protocols and ensure safety

9. Please share any other feedback you would like us to consider.

N/A
