*IN THE MATTER OF:*

*Support Tools for the National Electric  
Vehicle Infrastructure Formula Program*

Docket No. 22-EVI-03

NOTICE OF REMOTE-ACCESS  
WORKSHOP

RE: Introduction of Two Support Tools  
Related to the NEVI Program

## **Notice of Joint Workshop to Introduce the Interactive Map and Matchmaker Tool in Support of California's National Electric Vehicle Infrastructure Formula Program**

**April 13, 2023**

10:30 a.m. – 12:00 p.m.

**Remote Access Only**

**See instructions below.**

The California Energy Commission (CEC) and California Department of Transportation (Caltrans) will co-host a staff workshop to introduce two planning tools intended to support California's National Electric Vehicle Infrastructure (NEVI) Formula Funding Program. The tools are the "NEVI Corridor Group Interactive Map" and the "NEVI Matchmaker Tool."

The workshop will be held remotely. The public can participate in the workshop consistent with the attendance instructions below. The CEC aims to begin promptly at the start time posted and the end time is an estimate based on the agenda proposed. The workshop may end sooner or later than the posted end time.

### **Agenda**

- Introduction from Caltrans and CEC
- Brief update on the status of California's National Electric Vehicle Infrastructure Formula Program
- Presentation by CEC staff on the NEVI Corridor Group Interactive Map
- Presentation by CEC staff on the NEVI Matchmaker Tool

- Public discussion and comment on the two support tools. No questions will be taken on the NEVI solicitation. The focus of the workshop is on the support tools.

A detailed meeting agenda will be posted prior to the workshop at [National Electric Vehicle Infrastructure Deployment Plan Development docket](https://efiling.energy.ca.gov/Lists/DocketLog.aspx?docketnumber=22-EVI-03) (22-EVI-03), <https://efiling.energy.ca.gov/Lists/DocketLog.aspx?docketnumber=22-EVI-03>.

## **Background**

The \$1.2 trillion Federal Infrastructure Investment and Jobs Act (IIJA) of 2021 includes \$7.5 billion for electric vehicle infrastructure throughout the United States. The National Electric Vehicle Infrastructure Formula Funding Program allocates \$5 billion in non-competitive funding to the states over 5 years. The goal is to create a nationwide network of 500,000 high-powered DC fast chargers along the Federal Interstate and National Highway systems. California's share will be \$384 million over 5 years. The IIJA designates state Departments of Transportation to serve as the lead agency and requires close collaboration with state-level energy departments. The California Department of Transportation and California Energy Commission are leading NEVI development in California.

To support the NEVI Program, CEC staff have developed two support tools: The NEVI Corridor Group Interactive Map (Interactive Map) and the NEVI Matchmaker Tool (Matchmaker Tool).

The new Interactive Map provides additional information on California's Alternative Fuel Corridors than was available in the initial NEVI Deployment Plan. It is an interactive GIS-based mapping system with additional data layers, such as charger locations, Senate Bill (SB) 535 and Justice40 disadvantaged communities, and Assembly Bill (AB) 1550 low-income communities. The Interactive Map can be accessed through the CEC's [NEVI webpage](#) via the "Data and Maps" tab, at <https://www.energy.ca.gov/programs-and-topics/programs/national-electric-vehicle-infrastructure-program-nevi>.

The Matchmaker Tool is intended to provide a public, neutral forum through which:

- Potential site hosts can post information alerting stakeholders with information about their prospective charger sites; and
- Potential contractors with skills and expertise with DC faster charger installations can alert prime applicants as to their experience, availability, and geographic coverage. This may be especially useful for minority, disadvantaged, women-owned and/or rurally based businesses seeking to join a prime applicant's team; and
- Prime contractors or major subcontractors can post information about their needs for additional site hosts or subcontractors.

The Matchmaker Tool can be accessed through the CEC-CalTrans [NEVI Webpage](#) via the "Resources Tab", at <https://www.energy.ca.gov/programs-and-topics/programs/national-electric-vehicle-infrastructure-program-nevi>.

## Remote Attendance Instructions

The workshop may be accessed by clicking the Zoom link below or visiting [Zoom](#) at <https://join.zoom.us> and entering the ID and password for the workshop listed below. If you experience difficulties joining, contact Zoom at (888) 799-9666 ext. 2, or the Public Advisor at [publicadvisor@energy.ca.gov](mailto:publicadvisor@energy.ca.gov) or at (916) 957-7910.

### Link to Workshop:

<https://energy.zoom.us/j/86142621303?pwd=YjZCYXU2aUxUbTdWczVkYzBFY0VNdz09>

**Meeting Workshop ID:** 861 4262 1303

**Meeting Workshop Passcode:** 627259

Use the "raise hand" feature to indicate you want to speak and the event facilitator will indicate when your line is open and ready for you to make comment.

**Zoom Closed Captioning Service.** At the bottom of the screen, click the Live Transcript CC icon and choose "Show Subtitle" or "View Full Transcript" from the pop-up menu. To stop closed captioning, close the "Live Transcript" or select "Hide Subtitle" from the pop-up menu. If joining by phone, closed captioning is automatic and cannot be turned off. While closed captioning is available in real-time, it can include errors. A more accurate transcript of the workshop will be docketed and posted as soon as possible after the meeting concludes.

**Zoom Difficulty.** Contact Zoom at (888) 799-9666 ext. 2, or the CEC Public Advisor at [publicadvisor@energy.ca.gov](mailto:publicadvisor@energy.ca.gov), or by phone at (916) 957-7910.

**Participate by Telephone,** Call toll-free at (888) 475-4499 or toll at (669) 219-2599. When prompted, enter the **Webinar ID** 861 4262 1303 and **passcode** 627259. To comment, dial \*9 to "raise your hand" and \*6 to mute/unmute your phone line.

### Public Comment.

The CEC encourages the use of its electronic commenting system. Visit the e-commenting page for this docket [22-EVI-03](#) at

<https://efiling.energy.ca.gov/EComment/EComment.aspx?docketnumber=22-EVI-03>. Enter your contact information and a subject title that describes your comment. Comments may be included in the "Comment Text" box or attached as a downloadable, searchable document in Microsoft® Word or Adobe® Acrobat®. The maximum file size allowed is 10 MB.

**Oral comments** will be accepted at the end of the workshop. Comments may be limited to three minutes or less per speaker and one person per organization. To comment via Zoom, use the "raise hand" feature so the administrator can announce your name and unmute you. To comment via telephone, press \*9 to "raise your hand" and \*6 to mute/unmute.

A paper copy may be mailed to:

Docket Unit, MS-4

Docket No. 21-EVI-03  
715 P Street  
Sacramento, California 95814

**Public Advisor and Other CEC Contacts**

The CEC’s Public Advisor provides the public with assistance in participating in CEC proceedings. For information about how to participate in this workshop or to request interpreting services or other reasonable modification and accommodations, reach out by phone at (916) 957-7910 or via email at [publicadvisor@energy.ca.gov](mailto:publicadvisor@energy.ca.gov). Requests should be made for interpreting services, reasonable modifications and accommodations as soon as possible but at least five days in advance of the workshop. However, the CEC will work diligently to meet all requests based on the availability of the service or resource requested.

**Direct media inquiries** to [mediaoffice@energy.ca.gov](mailto:mediaoffice@energy.ca.gov) or (916) 654-4989.

**Direct technical subject inquiries** to:

Tiffany Hoang at [tiffany.hoang@energy.ca.gov](mailto:tiffany.hoang@energy.ca.gov) or (916) 237-2557 for questions on the Interactive Mapping Tool, and to Thanh Lopez at [thanh.lopez@energy.ca.gov](mailto:thanh.lopez@energy.ca.gov) or (916) 931-9427 for questions on the Matchmaker Tool.

**Direct general inquiries** regarding the new NEVI GFO support tools to Jim McKinney at [jim.mckinney@energy.ca.gov](mailto:jim.mckinney@energy.ca.gov) or (916) 776-7192.

**Availability of Documents**

Documents and presentations for this meeting will be available at [National Electric Vehicle Infrastructure Deployment Plan Development docket](#) (22-EVI-03), at <https://efiling.energy.ca.gov/Lists/DocketLog.aspx?docketnumber=22-EVI-03>.

When new information is posted, an email will be sent to those subscribed to the Clean Transportation Program subscription topic. To receive these notices, or sign up for other email subscription topics, visit [Subscriptions](#) at <https://www.energy.ca.gov/subscriptions>.

**Dated:** April 3, 2023, at Sacramento, California
