NOTICE OF EXEMPTION

City of Solana Beach
 Environmental Coordination and Review

December 9, 2022

1. **Project Name:** Amendments to Chapter 15.22 (Energy Code) of the Solana Beach Municipal Code
2. **Project Location:** City of Solana Beach in the County of San Diego
3. **Project Description:** Adoption of amendments to the California Building Standards Code, Title 24, Part 2, the California Energy Code, Title 24, Part 6 related to climate action through requirements for solar energy and electrification
4. **Public Agency Approving Project:** City of Solana Beach City Council
5. **Project Sponsor:** City of Solana Beach
6. **CEQA Exemption Status:** Section 15061(b)(3) and 15308
7. **Reasons for Exemption:** The ordinances are covered by the general rule that CEQA applies only to projects which have the potential for causing a significant effect on the environment. There is no possibility that the implementation of the ordinances will have a significant negative impact on the environment and are thus exempt from the requirements of CEQA. The ordinances are activities undertaken to assure the maintenance, restoration, enhancement and protection of the environment and the City of Solana Beach's natural resources by requiring new construction incorporate solar photovoltaic energy systems, and electric appliances.
