Data Request LU-008: A discussion of the legal status of the parcel(s) on which the project is proposed. If the proposed site consists of more than one legal parcel, describe the method and timetable for merging or otherwise combining those parcels so that the proposed project, excluding linears.

Response: See Table 1 below. To our knowledge, all of these parcels are recognized as legally created parcels under California law. No parcel mergers are anticipated. No structures, except for linear features such as access roads and collection lines, will straddle parcel boundaries.
