Subject: Rebates
Date: Friday, July 28, 2023 9:31:03 AM

CAUTION: This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

I also have a heat pump/full electrification project on hold until the promised rebates are available. When these rebates will be available is thus far a vague promise. Without a specific date, those of us depending the rebates can not plan or schedule the work. If the rebates can not be made retroactive to a date certain, please provide us with more information as soon as possible.

George DeVos
