**STATEMENT OF STAFF APPROVAL  
CHANGE IN OWNERSHIP AND OPERATIONAL CONTROL  
ALLIANCE DREWS ENERGY FACILITY  
(01-EP-05C)**

On September 29, 2023, Colton Power, L.P., the project owner, filed a post certification petition with the California Energy Commission (CEC) requesting to transfer operational control of the Alliance Draws Energy Facility (ADEF) from Alliance Energy Marketing, LLC to Colton Power, L.P. The petition also serves as notification of the project name change from Alliance Draws Energy Facility to Draws Energy Facility.

The 40-megawatt project was certified by the CEC on April 25, 2001 and began commercial operation on September 15, 2001. The ADEF is located in the City of Colton in San Bernardino County.

A statement describing the change in ownership and operational control, signed under penalty of perjury by an officer of Colton Power, L.P., was submitted pursuant to California Code of Regulations, Title 20, sections 1769(b) and 1707. The statement affirms that the Colton Power, L.P. understands the conditions of certification in the Commission Decision or as previously amended and agrees to comply with those conditions.

The petition requesting the change of ownership and operational control is available on the [CEC's project webpage](https://www.energy.ca.gov/powerplant/simple-cycle/alliance-drews-energy-facility), <https://www.energy.ca.gov/powerplant/simple-cycle/alliance-drews-energy-facility>.
