APPLICATION FOR CONFIDENTIAL DESIGNATION
Black Rock Geothermal Project (23-AFC-03)

1. *Specifically indicate those parts of the record which should be kept confidential.*
a. Title, date, and description (including number of pages) of the information or data for which you request confidential designation.

b. Parts of the information or data for which you request confidential designation

Black Rock Geothermal LLC (the “Applicant”) seeks confidential designation for the following biological resources information (the “Information”) submitted on behalf of the Black Rock Geothermal Project (“BRGP”):

- Figures 5, 6a, 6b, 7a, 7b, 8a, 8b;
- Appendix A: 2023 BUOW Breeding Season Proposed Methods, Figure 2;
- Appendix E: Representative BUOW at Burrow Photographs; and
- Appendix G: Occupied Burrow Photographs Within the Biological Study Areas

If granted confidential designation by the California Energy Commission (“CEC”), the Information should be kept confidential in its entirety as it contains sensitive information regarding the location of certain biological resources.

2. *State the length of time the record should be kept confidential, and provide justification for the length of time.*

The Information should be held confidential for the period determined necessary by the CEC to protect the biological resources identified therein.

3. *Cite and discuss:*

- (a) the provisions of the Public Records Act or other law that allow the Commission to keep the information or data confidential, and explain why the provision applies to the material.*
- (b) the public interest in nondisclosure of the material submitted for confidential designation. If the material contains trade secrets or its disclosure would otherwise cause loss of a competitive advantage, please state how it would be lost, the value of the information to the applicant and the ease or difficulty with which the information could be legitimately acquired or duplicated by others.*

CEC Staff has directed the Applicant to submit figures and data, such as that contained in the Information, under confidential cover, for an evaluation of whether the figures contain sensitive information regarding special status biological resources.

The Information includes details regarding burrowing owl occurrences and locations in the areas surveyed on behalf of the BRGP, Morton Bay Geothermal Project, and Elmore North Geothermal Project. California Government Code Section 7922.000 provides that an agency
