Guidance for Feedback

Is anything missing / needs to be explored in relation to current and future codes and standards?

Is there anything you were expecting in the Guidebook that you do not see or would like to see covered further?

What has been your experience with implementing Solar APP+? Do you have any best practices to share?

Are there any other automated permitting software that you are aware of?

Any other feedback / comments on the Guidebook?

Next Steps

Guidebook Launch: January 2024

Training Program Begins Q1 2024

Public Workshop 2: Q2 2024
