Itsatawi Opposes

My name is Susan Rhoades Studer I am council alternate for the Itsatawi Band. I am the granddaughter of Leila Grant, Rhoades a full blooded Pit River Indian. In the words of my grandmother, "the Indian religion, taught our people how to use not abused natural resources." My uncle Willard, Rhoades, spiritual leader of the Pit River nation says, "these sacred places will be losing their healing powers unless human beings protect them". If people don't listen, Willard warned they are going to run into the End of Times in a bad way. That it Sauti band opposes the fountain wind project..
