## **HEEHRA & HOMES PROGRAMS**

I put in many energy saving devices including a heat pump, new electric panel and new double pane windows in my house in Berkeley CA. In 2023. I was advised that i would be eligible for tax credits and a rebate for my expenses incurred through the inflation reduction act. So far I have not been able to access anyone who knows what is happening with the rebates offered.

I am contacting this website as recommended to find out how to connect and what I need to do in order to start the process. I've been told about HEEHRA or HOLMES program .

Please help me to connect me to the correct people and to get my rebate.

Thank You,  
Mitchel Rubin
