**NOTICE OF RECEIPT
PETITION FOR POST CERTIFICATION CHANGE
Mojave Solar Project (09-AFC-05C)**

On December 26, 2023, Mojave Solar, LLC (project owner) filed a Post-Certification Petition for Changes in Project Design, Operation or Performance and Amendments to the Commission Decision (Petition) (TN# 253750, TN# 253751, and TN# 253752) with the California Energy Commission (CEC) for the Mojave Solar Project (MSP) pursuant to California Code of Regulations, title 20, section 1769.

The MSP, a 250-megawatt (MW) solar electric generating facility was certified by the CEC in September 2010 and began commercial operation in December 2014. The facility is located at 42134 Harper Lake Road in Hinkley, San Bernardino County.

SUMMARY OF PROPOSED CHANGES

The project owner seeks the approval to construct two new permanent evaporation ponds, one at Alpha and one at Beta power blocks, to enhance water storage capacity and facilitate the maintenance of the four existing evaporation ponds.

For additional information, the [CEC's project webpage](https://www.energy.ca.gov/powerplant/solar-thermal/mojave-solar-project-abengoa), <https://www.energy.ca.gov/powerplant/solar-thermal/mojave-solar-project-abengoa> has a link to the petition accessible through the webpage in the box labeled "Compliance Proceeding." Click on the "Documents for this Proceeding ([Docket Log](#))" option.

REVIEW PROCESS

This petition is reviewed pursuant to California Code of Regulations, title 20, section 1769. The review process includes an evaluation of the effect the change could have on the environment; the project's compliance with applicable laws, ordinances, regulations, or standards; and whether a change to, or deletion of any condition of certification adopted by the CEC in the final decision or subsequent amendments is required.

After staff has completed its independent review and analysis of this petition, the assessment will be published for public review and comment. Included in the

staff analysis, staff will provide written notice of its intent to either process the proposed changes as a staff-approved project change or schedule it for consideration by the CEC at a regularly scheduled business meeting.

PUBLIC PARTICIPATION

This notice of receipt is being mailed to the following persons on the CEC's mailing list for the project: interested agencies, members of the public, property owners who requested placement on the mailing list, and property owners within 500 feet of linear features (for example, a pipeline) and within 1,000 feet of the facility. The notice is also being sent to the Mojave Solar Project subscription list. The subscription service is an automated CEC system by which information about this facility is emailed to parties who have subscribed. To subscribe, go to the [CEC's project webpage](#), cited above, scroll down the right side of the project webpage to the box labeled "Subscribe," and provide the requested contact information.

Any person may comment on the petition or the staff analysis when publicly available. The CEC encourages use of its electronic commenting system. To use the CEC's electronic commenting feature, go to the [CEC's project webpage](#), cited above, click on the "[Submit e-Comment](#)" link, and follow the instructions in the online form. Be sure to include the facility name in your comments.

Written comments, attachments, and associated contact information (for example, address, phone number, email address) become part of the viewable public record. This information may also become available via any internet search engine.

Written comments may also be mailed to:

California Energy Commission
