## **NO FOUNTAIN WIND TURBINES in Shasta County**

Do not even dream of approving Fountain Wind's application to install wind turbines in Shasta county.

The mere fact that this project has been  
TURNED DOWN, REJECTED, TWICE, by Shasta Co Board of Supervisors AND  
Shasta Co Planning Commission should be the ONLY reason you need to also  
REJECT this project.

Violates tribal land rights and ancestral grounds  
Increases wildfire danger and inability to get in to fight wildfires  
Endangerment to wildlife.

Do the right thing" stand on the side of appropriate action that honors all players and  
risk factors in a situation. Stand on the right side of civic action and history.

Sincerely,  
Dr. Maya T Borhani
