Hello,

Perhaps the following clip from the agency's NOPA has been overlooked as it applies to my emergency rulemaking comments that I have simultaneously transmitted to the agency's contact person and the OAL, pursuant to 1 CCR 55 section(d).

No Form 400 had been made available to the public when I submitted comment after finding the rulemaking published on the OAL website https://oal.ca.gov/emergency_regulations/Emergency_Regulations_Under_Review/

Please provide me with the Form 400 for this rulemaking.
