Geysers Unit 20, Grant (82-AFC-1C)**

Dear Mr. Bohan:

Pursuant to Sections 2501 et seq., of Title 20 of the California Code of Regulations, Geysers Power Company, LLC (“GPC”), the project owner of the above-listed Commission certified projects, submits this Repeated Application for Confidential Designations for the corrective actions for items identified for repair or correction in the 2023 fire protection system (“FPS”) inspection, testing, and maintenance (“ITM”) reports, hereinafter “Repeated Application.” The corrective action summaries provide information required by conditions of certification Fire Protection-4 and Fire Protection-5 by providing details for the actions GPC has taken or plans to take to address items identified for correction or repair in the 2023 ITM reports.

By your letter dated February 2, 2022, “the ITM records and summary of corrective actions setting forth the system status and schedule for system work will be subject to the same two-year confidentiality period from the date of the report.”¹ This Repeated Application similarly seeks confidential designation for the corrective action information corresponding to the findings in the ITM reports associated with FPS inspections conducted in 2023 for the two

¹ TN# 241373: CEC Response Letter Geysers #3 Confidential Application May 25, 2018, Nov 19 and Dec 10, 2021, and Jan 10 and 27, 2022, dated Feb. 2, 2022, at p. 10.

year period. This Repeated Application is being submitted because the compliance submittal letters include FPS corrective action tables that contain information that is substantially similar to the previously submitted information that was granted confidential designation by your February 2, 2022 letter. All facts and circumstances relevant to the confidentiality remain unchanged.

Specifically, GPC requests confidential designation for the records listed in the table below.
