Tax Credits

My question is; how do I get tax credits and/or rebates when I have already filed my 2023 tax forms?

I purchased {in 2023} new high end dishwasher, refrigerator and last but certainly not least a dual pack heat/air conditioner and didn't think about Energy Star credits. These were all upgrade to our home.... not a rental.

Please let me know what my options are at this time.

Thanks, Judi Silveira
