**RE: 24-BSTD-01, 2025 Energy Code  
Notice of 15-Day Comment Period – 2025 Building Energy Efficiency Standards**

Dear Commissioners and CEC Staff,

LG Electronics U.S.A., Inc. ("LG") is supportive of the updates made to §JA5.3 in the California Energy Commission's Title 24, Part 6 15-day language. We believe these updates will help increase flexibility for compliance and further eliminate barriers to high efficiency heat pump installations.

We look forward to continued collaboration with the Commission in the future.

Sincerely,

David Kim
