Comment and req reg Docket 23-DECARB-01

Background: Our firm is an innovator in sustainability technology space, addressing consumers & homeowners.

Are you open to Technology partnership & innovations? What is the process to partner?

We developed a application that automates the complete process, approval, rebate, tracking & reporting for the DOE's workflows of purchase, rebate, according to the legislation.

We believe it will be extremely beneficial to all parties involved: California State, Public and Contractors

Can we have the opportunity to meet & demonstrate this to your team? How to coordinate?

Looking forward to hearing from you.
