## **Toyota Mirai and Hydrogen**

Dear CEC Officials,

I would hope that you continue to support the development and delivery of hydrogen as an option for consumers.

Toyota has developed an outstanding vehicle with its introduction of the Mirai and they have supported Mirai drivers throughout the challenges regarding hydrogen fuel delivery to the consumer market.

I enjoy driving the Mirai and am eager for the day when hydrogen delivery and access is improved.

Thank you,  
Kristin Costello
