DESCRIPTION

Official statistics from the Bureau of Resource & Energy Economics (Australian Petroleum Statistics) and the International Energy Agency (IEA) show that Australia has among the lowest petrol and diesel prices of all OECD countries. The charts below show the price of petrol...

International Market Watch

TAGS

[International](#)

DESCRIPTION

The charts below show recent movements in international benchmark prices relevant to the price of petrol and diesel in Australia. These market prices include the Singapore price of petrol (MOGAS95 Petrol) and diesel (Gasoil 10ppm sulfur) and the market prices for Tapis and North Sea Dated (Brent)..., Australia's local oil refineries constantly compete with imported petroleum products from large highly efficient refineries in Asia, regardless of the cost of importing and refining crude oil. Consequently, the price of petrol at Australian refineries is based on international petrol prices. If..., General Note: AIP publishes the Argus crude oil and product quotes for the purpose of price transparency and to assist in demonstrating that the movements in product prices follow the medium term movements in crude oil prices. The Argus Tapis and North Sea Dated (Brent) quotes were chosen...
