Opposition to Compass Energy Storage Project

Western legal, Inc., a Professional Corporation, has been headquartered in San Juan Capistrano since 2014. Its offices are located less than 2 miles from the proposed storage site. Not only does Western Legal, Inc. oppose the project, but it has been retained by nearby residents to protect their health and well being and assist them in defeating this project as well. Such assistance may be in the form of initiating various legal challenges to the requested approvals on the basis of reckless disregard for public health. Please keep our firm informed of all matters concerning this proposed project, including, but not limited to, public hearings and meetings concerning same.
