PLEASE GET IT DONE SOON, BEFORE TRUMP KILLS IT!

YOU HAVE TO STOP WITH THIS ENDLESS PROCESSION OF PAPERWORK. It's been MORE THAN TWO YEARS since the Inflation Reduction Act passed, and ALL OF US can see that, due to the endless foot-dragging in rolling this program out, we may never see the funds at all. What on earth can POSSIBLY be taking THIS long to set it up so individual households can access these funds? Absolutely inexcusable, mindless bureaucracy at its very worst. Keep up with the foot-dragging and Elon Musk and Donald Trump will just kill the funding altogether. What on earth is wrong with you all, we don't need public meetings, any one of us could arrange a structure to get these funds available in a couple days. STOP WITH THE NAVEL GAZING AND DISTRIBUTE THE FUNDS.
