**Use the Zoom Q&A feature and type in your question(s). You may also click the thumbs up icon on a question already submitted by someone else if it addresses your question. There may not be time to address all questions raised.*

***We encourage input and comments from California Native American tribes, elected officials, other government agencies, and members of the California Energy Commission-California Public Utilities Commission Disadvantaged Communities Advisory Group. Comments from interested members of the public are welcome. Anyone using the "raised hand" feature in Zoom will be called upon for public comment at the end of the workshop. Those with hands raised will not be called upon during the dedicated Q&A time.*
