RE: Los Esteros Critical Energy Facility (03-AFC-02C): Repeated Application for Confidential Designation for Emergency Response Guide

Dear Mr. Bohan:

Pursuant to Title 20, section 2505(a)(4), of the California Code of Regulations, Los Esteros Critical Energy Facility, LLC, on behalf of Tanager Power, LLC (“Applicant”) submits this Repeated Application for Confidential Designation for the following information submitted in support of the *Petition for Modification: Tanager Battery Energy Storage System Project*:

- Confidential Attachment DR-A80, Hithium Emergency Response Guide

By letter dated November 10, 2025, the Executive Director approved an application for confidential designation of UL9540A Reports prepared by the battery energy storage system manufacturer.¹

The information contained in Confidential Attachment DR-A80 is substantially similar to the previously submitted information in that the information is trade secret and commercially sensitive information related to the manufacturer’s battery energy storage system and equipment. Confidential Attachment DR-A80 is subject to a non-disclosure agreement with the manufacturer and is also marked by the manufacturer as protected by copyright.

The manufacturer has agreed that Confidential Attachment DR-A80 may be provided to the California Energy Commission under an application for confidential designation. All facts and circumstances relevant to the confidentiality of the information remain unchanged from the previously approved application for confidential designation.²

I certify under penalty of perjury of the laws of the State of California the information described above is substantially similar to the previously submitted information and that all the facts and
