**Subject:** INLAND EMPIRE ENERGY CENTER PROJECT (01-AFC-17) STATUS REPORT #10

This report is provided to update the Committee on staff's activities on the Inland Empire Energy Center Project since publication of Status Report #9 on December 20, 2002. The South Coast Air Quality Management District (SCAQMD) released a Final Determination of Compliance (FDOC) on February 28, 2003. However, the applicant has requested that SCAQMD make several changes to the FDOC. Staff has been coordinating with the applicant and SCAQMD and is awaiting release of a revised FDOC before the Final Staff Assessment (FSA) can be completed. Staff plans to publish the FSA within 30 days of receipt of the FDOC.

Staff will continue its efforts to complete the FSA in a timely manner and keep the Committee informed of any developments that may further impact the project schedule.
