Re: Power Source Disclosure – 3rd Quarter 2004 Report

Dear Mr. Johnson:

Pursuant to Section 1393 (c) (2) of Title 20 of the California Code of Regulations, enclosed is the quarterly disclosure provided to APS Energy Services' retail customers. APS Energy Services is a retail provider that does not make any claim of specific purchases.

If you have any questions about this disclosure, please call me at (602) 744-5364.

Sincerely,

Stacy Aguayo
Manager of Regulatory Affairs

Enclosure (1)

Under Senate Bill 1305, the California Energy Commission requires that all retail energy suppliers disclose to their customers "accurate, reliable, and simple to understand information on the sources of energy that are used to provide electric services." In response to this bill, APS Energy Services is providing the enclosed fuel source information using the Power Content Label developed by the California Energy Commission. In accordance with the Senate Bill, this disclosure will be provided to your business on a quarterly basis.
