## Choose Renewable Energy

SMUD's Greenery gives you the power to choose energy created from renewable resources like solar, wind, and landfill gas.

For just \$3 or \$6 a month, SMUD will match 50% or 100% of your electricity needs with power from renewable resources for use on the SMUD power grid.

Plus, SMUD has a commitment to match 40% of all Greenery premiums with construction of new green power plants.
