Subject: 2003 Quarterly Power Content Label

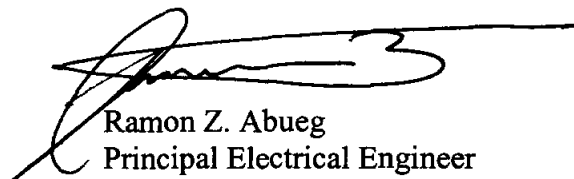

Dear Mr. Orta:

In our letter to you dated February 19, 2004, the City of Glendale *Water & Power Department* (GWP) indicated that it was electing not to claim specific purchases for the year ending December 31, 2003 and therefore, was not submitting any schedules pertaining to the Annual Report under the Power Source Disclosure Program applicable to Retail Providers. Instead, GWP is claiming the California Power Mix for that portion of its electricity.

Enclosed please find a copy of the City of Glendale City Views publication (Summer Issue, 2004). Page 10 of this publication depicts GWP's 2003 Quarterly Power Content Label. As required by California State Law, all of Glendale's customers were furnished a copy of the Power Content Label through the recent mailing of the aforementioned publication.

If you have any questions, please do not hesitate to contact me at (818) 548-3297 or email me at rabueg@ci.glendale.ca.us.

Very truly yours,

Ramon Z. Abueg
Principal Electrical Engineer
